PETITIONER'S COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public  
interest would be served by allocating Channel 275A to  
Savanna, Oklahoma as that community's first local FM  
service. Savanna is an incorporated community with a  
population of 730 people.<sup>1</sup> Savanna has its own mayor, its  
own schools, volunteer fire department, city offices, post  
office and a number of local churches. Savanna is a  
community that is certainly deserving of local FM service.  
The proposed channel 275A will provide additional diversity

and an outlet for local self-expression to Savanna residents and therefore is in the public interest.

Should this petition be granted and Channel 275A is allotted to Savanna, Oklahoma, Petitioner will apply for Channel 275A at Savanna and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.
